**50 minutes \$159 Book 3 for Only \$299 (save \$178)**

How does it work?

Ionithermie is a non-invasive way of firming, toning and losing inches. Using gentle stimuli and a combination of effective organic Marine extracts, which detoxifies by eliminating toxins from the body and emulsifying the fatty cells.

"All of us who would like a tighter tummy, should try Ionithermie, it works brilliantly!" ELLE magazine
